## Labshield™ (Pull-N-Self-Seal) Adhesive Specimen Bags

Our Adhesive Seal Labshield™ Specimen Bags are made of slip-free LDPE materials and are available in a wide range of sizes. To close, simply peel the liner and the bag "self closes," forming a liquid-tight, secure seal.

- Ideal for secure transport, especially within Pneumatic Tube Systems
- Meets all healthcare OSHA Biohazard & FDA industry standards
- Easy to open tear line and simple instructions for use printed on the bags
- Each bag has document pouch (three-wall design) except the 6x6 size is a single pocket
- Each case has "dispenser" style inner-packs of 100
- Adhesive closure does not come in contact with gloves

Bags are easily customized at low minimum order quantities! Contact us to discuss how to advertise your facility! 1-800-223-0564 or [healthcare@uniflex-bags.com](mailto:healthcare@uniflex-bags.com)

These bags are available in all standard sizes, in clear and various colors. Call to discuss custom options!
